"Thinkers and airmen—all such
Friends and pilots upon the edge
Of the skies of the future—much
You require a bullet's eye of courage
To fly through this age."

SCHOOL LIFE

"Six studies for me!"

"Big-wheel Senior—poor Coolie."

What a wonderful vacation—AND THEN—
September 6—School bells are ringing—

Registration—"Do I have to take that?"—

Freshmen getting pushed around and saying
"Where is Room 7?"—Brr—It was so cold

at the stadium, but a few rumbas and
waltzes got us all steamed up for those
swell after-game dances.

("Swoon - Swoon," says Barbara!)

BEGINS AT F.H.S.

"The game's over—win or lose—let's dance."

**BETTER GRADES,
WE HOPE!**

**HOW WE LIKED
ASSEMBLIES.**

**AND ONE MUST
EAT!!!**

"Gotta big test tomorrow?"

Although we carried an apple all the way to school, it was too little and too late most of the time. Still, we got to go to those swell assemblies even though we had low grades and occasionally visited the dean for little "chats." We always looked forward to 11:30 when we piled our plates sky high with "goodies." Driver training brought headaches sometimes when we were confronted with such a task as changing a tire.

"In a hurry?"

"Some eat to live—I live to eat."

'That's a woman for you!!

**DRIVER TRAINING BROUGHT
HELPFUL EXPERIENCES.**

Time will pass will you???

**NEXT TIME YOU'LL KNOW
BETTER!**

A GLIMPSE OF GOOD TIMES AND PREDICAMENTS

"I can dream, can't I???"

"Chivalry is dead — —"

"Bring on the mistletoe"

"Isn't love grand???"

WE'LL NEVER FORGET

— get up Rosemary!!

"Dream stuff."

How would you like to be a part of a group of people who are trying to make a difference in the world? We are looking for people who are interested in social issues and who want to make a difference. We are looking for people who are interested in social issues and who want to make a difference. We are looking for people who are interested in social issues and who want to make a difference.

"Columbus system—discover and land!!"

SOMETIMES WE STUDIED

"Ah-h-h-h-h!"

"No thanks—I've had lunch."

"They 'had-a-col' if somethin'."

"It wasn't supposed to end like this!!!"

AND FINALLY THE CLOSING DAYS.

"What power of concentration!"

The high standards of scholarship that are maintained in Feitshans High School and the ideals of democratic citizenship that have been so firmly established are largely due to the caliber of the teaching staff

Comprising thirty-eight members, the Feitshans faculty is one of which the students may well be proud. All members are highly trained in their respective fields; many possess graduate degrees; most of them have had years of experience in working with young people

"News and Current Events!"

Through the deep personal interest that they take in their students, these instructors have succeeded in creating a very happy teacher-pupil relationship—a camaraderie so to speak—that is often remarked upon by visitors to our school.

As evidence that they want to keep abreast of educational trends in other lands, to be up to date, many of our teachers are continuing their study. Some are enrolled in extension courses; June will find others on university campuses for the summer session.

Yet we at Feltshans can point with pride to our teachers. Of them all, we can truly say, "They are our guides, philosophers, and friends."

GIRLS' CHOIR

Ah, yes! That's the strain from the Girl Choir that you hear every other day in your sixth hour class. In this choir the girls become acquainted with part singing and learn to read notes. It is usually composed of Freshmen and Sophomores. Under the capable direction of Miss Matlack, the Girls' Choir is very well known in our school.

In Second A Cappella Choir, students will learn to use their voices so that some day they will be part of our fine A Cappella Choir. The training they are receiving will assure us a finer and better A Cappella in the future.

PRESENTING A "TOP-FLIGHT CREW" WITH OUR

Immediately after school resumed, so did the work on a bigger and better 1951 yearbook. There is a great deal of difficult work in composing an annual. Planning the initial layout, choosing the general theme, scheduling, pro-

for each page, selling advertising, and selling the annuals themselves, are a few of the many problems which confront an annual staff. The publicity campaign was initiated by a comic assembly for the promotion of co-operation be-

tween staff and student body. The presentation of pictures and subscriptions. This was planned by Mrs. Erickson, the faculty sponsor, and carried out by the staff members. A great deal of credit must be given to Mrs. Erickson, as she has contributed many hours of hard work and concentration towards the publication of this book.

The Senior Class of 1951, Mrs. Erickson, and the Log staff hope that you will thoroughly enjoy this book now and find even more pleasure in it in the years to come.

DRAMATICS CLUB

Romeo! Wherefore art thou???

That's what you might hear if you should visit the Dramatics Club meeting. Oh! Be careful not to catch a student with the book on her head: she's trying to walk. Many people admire an actor or actress without realizing the hard work it takes to become

an actor. When a student is in the club, and voice are just a few of the many things which must be mastered to make a play a success. These students are all amateurs now, but under the guidance of their advisor, Miss Yonick, who knows! After all, Clark Gable and Lana Turner had to start someplace too, you know!

CAFETERIA STAFF

"Two sandwiches and a bottle of milk." This is the kind of orders the cook's helpers get. These people make the sandwich line more efficient which makes it dissolve faster.

The girls have the cooking room at their disposal, while the boys get their noon-day nutrition in Pop Wilson's room. The helpers are: M. Wilson, G. Watts, W. Sprague, H. Haws, and W. Krimmel

CAFETERIA STAFF

The boys and girls who work in the cafeteria are the cheer of tomorrow. They keep the hot "taters" at the cook's side.

Though their work looks easy, they work hard (but they have fun) to please the patrons of the cafeteria.

They are, left to right: D. Rehwald, B. Thompson, E. Lamken, A. Wilson, E. Neuber, E. Sandidge, and J. Jones.

Mrs. Power, Mrs. Blauer, Mrs. Trautman, Mr. Wax, Mrs. Lauterbach

FEITSHANS P. T. A.

The P.T.A. is a social organization of parents and teachers. Their object is to promote child welfare in the home, school, and community, and to maintain closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child. The officers are: Mrs. John Trautman, president; Mrs. Clarence Spence, vice president; Mrs. J. T. Power, secretary; Mrs. Emil Lauterbach, treasurer.

The largest project for the year was the carnival, which was held in November. After meeting their budget for the year, the proceeds were donated to buy band uniforms.

FEITSHANS MEN'S CLUB

The Feitshans Men's Club is a non-profit organization that was started in 1948. This year they put on their second annual variety show and they donated to the football and band funds. They also appropriated money to buy records for the amplifying system.

Though their club is small, but growing, their deeds are large and we cannot thank them enough.

MAINTENANCE STAFF

We give our thanks to the men who take care of the grounds and buildings. The tasks they perform are the essentials that bring about a well-organized system, and the work that they do to make the school attractive and to keep it in repair cannot be minimized. We are grateful to them for their help in providing us with a school of which we can be proud.

FRESHMEN WIN CITY TITLE FOR SECOND CONSECUTIVE YEAR!

For the second consecutive year, our Freshmen football team took the city title. The Flyers were unbeaten by one defeat, a 14-13 loss to St. Ignace which they avenged later in the season with a 27-0 victory. Looks as if some really fine material is coming up to the Flyers. We expect for the Flyers in '52 and '53.

The boys had a lot of fight, worked hard and gave everything they had every time. They really earned their Freshman title.

Mr. Carpenter, who coached the team, said the boys were really good and he was proud of them. He said they were a real team and they were a real credit to the school.

"With that play, coach, we can't lose!!"

The Flyers, coached by LeRoy Halberg, recorded one of their best seasons in history. The Flyers finished the season with a record of 15 wins and 5 losses. The Flyers' success was due to their strong defense and their ability to score in the paint. The Flyers' coach, LeRoy Halberg, was a key factor in the team's success. He was a former player and a former coach, and he knew exactly what it took to win. The Flyers' success was also due to the hard work and dedication of the players. They practiced every day and they were always ready to play. The Flyers' success was a testament to the coach's leadership and the players' hard work. The Flyers' success was also due to the support of the fans. The fans were always cheering for the Flyers and they were always there to support them. The Flyers' success was a great achievement for the school and for the community. The Flyers' success was also a great achievement for the coach and the players. The Flyers' success was a great achievement for everyone involved.

We have enjoyed the annual carnival, the proms (those were the night dancing), and the banquets during our Junior and Senior years. Most of all, we are going to miss the friendly atmosphere of our buddies and classmates. We take everything back that we thought in vain about F.H.S. and its wonderful student body.

We wish, above all, to express our thanks to the faculty that has helped us so much to obtain our goal
